

Congratulations to our Summer Clipping Contest Winners

Sammy Renard, 2A

Emily Mayer, 8B

The classroom dress down pass contest is in full swing, and we are receiving a ton of clippings. Everyone is doing a great job! At this time Mrs. Walsh's first grade class (1A) is in the lead. And remember to send in your used ink cartridges and old cell phones. These all count towards our next contest for the class dress down pass.

Just a few reminders for all our programs:

- ⇒ Check the dates on Box Tops before sending them in to school. If they are expired, they do not count toward your child's submission. The expiration date must not be expired and must be completely intact.
- ⇒ The Used Book program will discontinue on December 31, 2008, so if you have books to send in, please do so asap. Books must be in good condition, have a retail value of at least \$12 and a publication date within the past 5 years. Children's books are not accepted.
- ⇒ Fair Haven Acme does not participate in the Acme Receipt program. Receipts from the Fair Haven location will not count toward your child's submission.

Visit our school website, www.mysaintjames.com, to see all the fundraising options available, including SchoolPop, GoodSearch, Monmouth Mall School Sense, Target and many more.
