An afternoon to spend some quality time with special people

Join us to celebrate the holidays at our annual Grandparents' Tea. Make a keepsake craft, sing some carols, and take a stroll through our classrooms. Don't forget to visit the book fair, and have some fun.

Please send in this portion by Friday, November 14, 2008 if your child and grandparents will be joining us. If grandma and grandpa can't make it, please feel free to bring a special person. Light refreshments will be served.
