

CALLING ALL DADS

St. James Royals Club

The St. James Royals Club – an informal association of student’s dads, step-dads, uncles, grandfathers – NEEDS YOUR HELP.

The Royals Club has been established to provide dads, step-dads, uncles, and grandfathers with an opportunity to participate in their daughter’s and/or son’s educational experience. The club organizes entertainment activities throughout the school year for grades K-8. Examples of these activities are the Polar Plunge, Basketball Blowout and Royals Game Night and other special events.

Also, we perform a spring yard cleanup and assist the PTA with various school activities like Breakfast with Santa and Fall Harvest Social. These activities offer a great opportunity to earn care points as well.

The Royals Club meet (voluntary attendance) on the first Tuesday of every month (no meeting in December) at 7:00 PM in the school cafeteria. Communication is accomplished mostly via e-mails and/or phone calls. Participation in all activities is desired, but not required. We understand the hectic pace of our lives, and realize that time is not always available, however, it is our hope that a large membership will provide sufficient participation to coordinate and assist in activities throughout the school year.

If you think you might be able to help out, please e-mail or call one of us to get further details, or return the bottom slip to school and we will contact you.

Thank You,
The Royals Club

President
