

Can any one of us imagine never having opened a gift for Christmas? That's the very sad reality for many children around the world. Now you have a chance to share the love of Christ by making a needy child experience the joy of opening a Christmas gift. This November, our Dare2Care drive at St. James will be collecting gift boxes for Operation Christmas Child, an organization that delivers gifts to needy children all around the world. We will supply a box for the gift, the size of a shoe box, with instructions on how to fill it, including your \$7 donation for shipping costs. Filling it is a lot of fun and does not cost much but will mean the world to the child who receives it!

If you wish to receive a box, please fill out the form below, return to school and we will send you a box as soon as possible. Boxes will be collected in the school lobby the week of **November 12-16th**.
