

Instrumental music Begins Again!

For students in Grades 4 - 8

It's not too late !...

Learning to play an instrument can be a fun and rewarding experience for any child. If your child is interested in the Music program, fill out the introductory lesson form on the next page and send it back to school or email Mr. Kelly at ebrassman@gmail.com. Lessons are every Friday during the school day.

The music program provides students with a sound musical education, and gives students opportunities to participate in concerts, trips to music festivals, playing in school masses, and more! Learning an instrument boosts independence, self-discipline, and a sense of accomplishment.

Miss. Kelly, Teacher

Dear Parent,

Recently, students were introduced to the instruments of the Music Program. Interested students are invited to come to an introductory class on

Friday September 21st

A schedule will be posted in each classroom and students should come to the class that most interests them. They will be given the opportunity to try this instrument and – as time allows they will have the opportunity to try a second instrument in this same class. Please look at the instruments offered on the back of this letter and then fill out the form below. Please return it to school tomorrow so that I can have your child come at the scheduled time.

Yes, my child would like to try an instrument

(You do not need to have an instrument to participate in the introductory class)

Please detach the top portion of this letter and return it to school tomorrow so proper classes can be scheduled for everyone interested. This form will be the only way your child's teacher will know you are interested in this introductory class.

There are many opportunities to perform with our Band program – we have been to Disney, Lincoln Center in NYC, Madison Square Garden, Washington DC, The Meadowlands and Music Festivals associated with Hershey Park, Dorney Park and Six Flags. We will also perform at school concerts and assemblies.
