\$50 non-refundable deposit required per child per camp, \$150 balance due by June 10

June 21 - June 24 Commotion in the Ocean

Come and explore sea creatures this summer with Miss Rose! Any student in grade K-3 who enjoys sea creatures - this is the summer camp for you! Students will learn fun facts, sing ocean songs, create sea creature art projects and research interesting facts. Come for summer fun. Let's make some ocean slime together. Hope to "sea" you! This summer's sea creatures will be: Lobster, whale, octopus and manatee. Do you know which of these creatures is benthic? Learning fun facts, hands-on science lessons, creating art projects, singing songs and making new friends all within a unique ocean-related theme.

June 21 - June 24 Summer Art Splash!

Attention Young Artists! Summer Art Splash has arrived! Come explore the beach and the sea and bring your imagination!

Campers will learn how to use artist materials to create one of a kind artwork. Just some of the creations will be painting and collaging a crusty crab. Imagine your self-portrait wearing a snorkel mask and seeing what's underwater (who knows what treasure you'll find!) Campers will also learn to use wet chalk to create colorful and glowing jellyfish plus design your own hanging mobile with Octopus legs. Let your creativity make a splash at SJS Art Camp this summer!

The Best Days are spent at camp!
