

gotsneakers?
A Sneaker Recycling Organization

GOT SNEAKERS?!

Help us collect gently used sneakers - all reusable sneakers will be passed along to people or organizations in need.

Heavily used or damaged sneakers will be recycled to reuse materials.

AND Saint James earns money for every pair of sneakers donated.

Collection bins will be in the lobby beginning March 1 through April 1

Sign up for the Captain Zinn Memorial 5K [here](#), and bring your shoes to the race!
