A review will be provided of tentative dates set for Events to be held in the 2013-2014 School Year. Our Presidents will share thoughts and discussions that have taken place with Administration on what events will continue for next year, what events should possibly be held for a year, a review of a potential major fundraiser, and finally, our 135th Anniversary and possible events.

The floor will then be opened for discussion and decision on the best ways to proceed in planning for next year. We invite our entire school community to join us in these discussions and plans.
