

# SJS SUMMER ENRICHMENT CAMP

School's out but learning is still in!

Come review important skills covered this year in a fun, engaging way with our dedicated SJS Teachers!

## Weekly Programs

week 1

June 19-22  
9am-12pm

week 2

June 26-29  
9am-12pm

Get ready  
for next year by reviewing  
grade level concepts!

Each day, students entering grades kindergarten through sixth will be engaged in various Math and English Language Arts grade level concepts. Students will have fun expressing their creativity in a Visual Art project. Building relationship skills will also be a part of their day, along with physical activities.
