

PHILOSOPHY

Forward

Saint James School, Red Bank, New Jersey is a Catholic elementary school, which provides a Christian environment for academic education of youth, under the direction of the Education Office of the Diocese of Trenton, the pastor of Saint James Church and the school administration. Saint James does not discriminate on the basis of race, sex, or ethnic origin in the acceptance of students.

Mission Statement

Faith Honor Excellence

Saint James School is dedicated to preparing our students for a life of faith and honor by providing a challenging and empowering education that is rooted in the Catholic doctrine and academic excellence.

Statement of Objectives

Saint James School is a community based on Catholic faith, tradition, and values. Its purpose is to prepare the student for his or her role as a contributing Christian member of society. By cognitively and consistently providing opportunities for children to grow in the knowledge of God, self, and the world in which they live, Saint James School endeavors, in cooperation with parents, to develop individuals of good moral character. Accordingly, Saint James School strives to create a nurturing environment in which the whole child grows as a complete person, one who understands core values, embraces them, and acts upon them in response to the daily events of life.

In light of this philosophy, all effort is put forth to accomplish the following:

- ◆ Provide students with a sound foundation of Catholic beliefs based on structured religious studies, as well as to witness the Good News of the Gospel through their daily experiences. The emphasis is to teach as Jesus did, leading by example, seeking the goodness within and the gift of each individual.
- ◆ Create an awareness of responsibility to the community-at-large through active participation in community service. By this process of integrating word and deed, students are led to understand that their commitment as Christians is a witness lived, as well as a witness spoken.
- ◆ Provide an atmosphere that fosters learning as a life long process in which students develop as risk-takers, problem-solvers, decision-makers, active-learners, and skillful communicators.
- ◆ Provide each student with the stimulus to pursue knowledge through a balanced program of learning and self-motivation, enabling the student to strive for excellence, yet meeting the individual needs of each student.
- ◆ Celebrate the uniqueness of each student by fostering positive self-awareness through a curriculum that involves cooperative and team effort based on a sense of responsibility to and respect for fellow students.
- ◆ Instill the understanding that the individual is a complex of body and spirit through active participation in healthful practices, sports programs, and physical education.
- ◆ Acknowledge that parents are the primary educators of the child. The relationship between the school and parents as co-educators is essential in the development of the whole child and a vital asset in the continuing process toward educating each student.

Accreditation

Saint James School is proudly accredited with the North Central Association Commission on Accreditation and School Improvement, an accrediting division of AdvancED. Our accreditation demonstrates our dedication to continuous improvement in all that we do. We are committed to providing students the opportunity to receive a rigorous, quality education through innovative learning methods.

I. Admission and Transfers

Admission requirements

In admitting children to kindergarten and first grade, the age requirements of the local school district in which the child resides must be followed. Saint James School does not discriminate on the basis of race, gender, color, national/ethnic origin and/or disability if with reasonable accommodations the student can meet the educational programs or activities operated by the school.

Requirements for registration

Registration for all **new** pupils, Kindergarten through 8th grade, will be held during an appointed week in February. Parents must present birth certificate, Baptismal certificate and all health and immunization records. All new registrants must have a complete physical examination before the start of the school year. Children registering for grades 2 through 8 must present the last two year's report cards as well as any standardized testing. In the case of a separation or divorce, the custodial parent must provide an official copy of the custody section of the separation/divorce decree.

Registration for returning students is held annually in January.

Transfers

Parents of students who are withdrawing from school should inform the school office in writing at least one week in advance to give necessary time for completion of school records. The parent must sign a record release form so that records can be sent to the new school upon request of that school's principal.

A student transferring into Saint James School should present a pupil transfer card from the latest school attended that will allow administration to request all records. ***There is a probationary period for all new students during the first two trimesters of their enrollment.***

II. School Sessions

School Hours

- Grades Kindergarten through 8th Grade:
 - Full Day: 8:00 A.M.—2:15 P.M.
 - Half Day: 8:00 A.M. –12:15 P.M.
- Children must arrive at school between 7:30 and 7:55 A.M. in time for the first bell.
 - *(Students must **not** arrive at Saint James School prior to 7:30 A.M. There is **no supervision** before this time.)*
- Upon arrival at school, students are to report to the cafeteria and be seated at the assigned table for his/her class.

III. ATTENDANCE

Absence from School

- To receive the maximum benefit from classroom and instructional participation it is important that a child be in attendance each school day.
 - Any student who misses 30 or more days of school during any academic year is required to meet with the teacher to discuss situation.
 - Excessive unexcused absences may lead to retention.
- A parent must call the school office before 8:15AM and leave a detailed message to report a student's absence. If any student is absent for three or more consecutive days, please notify the nurse of the reason for such absence. A written note is required upon a student returning to school with the following information: child's name and grade, date of absence, reason for absence, and signature by parent or guardian. All contagious diseases must be reported to the nurse as soon as diagnosed.
- Excuses from physical education will be granted only upon a written statement from a parent/guardian. Excuses from physical education for long term illnesses must have a written statement from the child's physician. In the event of an extended absence for illness, parents must contact the school for arrangements for classwork, assignments, or home instruction.
- For the protection and welfare of all children, parents are requested to keep children home if they show any of the following symptoms; chills, coughing, earache, fever, headache, pain, nausea, skin eruptions, sore throat, etc. Children must be fever free for 24 hours before returning to school.

- It is the student's responsibility to personally check with the teacher(s) to determine the work that is missed during an absence from school. Homework may be requested after 3 days of absence.

Request for Early Dismissal

It is strongly requested that parents make doctor and dental appointments after school hours. If it is necessary for a pupil to be dismissed early, a written request must be submitted that morning, stating the reason for the request. Telephone requests for early dismissal will be honored only in case of emergency and upon satisfactory identification of the caller. **Please do not request early dismissal after 1:30PM.** The parent or guardian must sign the student out of school.

A student must be in school until 12:00 Noon to be considered present for that day.

NOTE: **No student may participate in an extra-curricular activity (Awards Nights, social evenings, clubs, plays, sports or practices) on the day that he/she is absent from school.**

Tardiness

Punctuality is of the utmost importance in a child's education. A student who is tardy must report to the Business Office with a written note explaining the reason for being late. This note must be signed by the parent or guardian. Students will be marked late if they arrive in school after the 8:00 A.M. bell. The only exception is when tardiness is caused by school buses.

Students who receive 5 unexcused tardies in one trimester will serve a lunch detention. Students who are chronically late (more than 5 unexcused tardies per trimester) will be required to participate in community service. Student must provide the school with a signed note by the organization's lead person.

Vacations

Saint James School does not approve of and strongly discourages students being removed from school for vacations. Therefore, it is not the teachers' responsibility to have assignments prepared for a student prior to absence for a vacation. The family must assume total responsibility for the educational needs of the child while on vacation. The student is responsible for all work taught during the period of absence, including classroom assignments. Each parent and student must realize that it will be impossible to duplicate much of the work that is missed due to vacation. Parents should notify the school and classroom teacher about a planned vacation. You are strongly urged not to plan vacations especially during Terra Nova and major testing time.

Dismissal

Students are dismissed as walkers or bus riders. Any change in the dismissal procedure requires a written note to be presented at the Business Office on that day.

IV. Emergency Closings and Delayed Openings

Emergency closing information will be posted on the school's website: **MYSAINTEJAMES.COM**. If an emergency arises during a school day, emergency numbers will be notified through School Messenger. **It is the parents'/guardians' responsibility** to be sure the Business Office has the **current home, work and emergency phone numbers** at all times.

The public school district determines whether or not buses will run during inclement weather. In the event that a public school district is closed in which a student resides, but Saint James School is open, **it is the responsibility of parents to transport those students to and from school when there is no bus service.**

Delayed Openings

Many public school districts have "delayed openings". Parents are to check with their local school district to determine bus pickup. For example: if your local public school district is on a 90 minute delayed opening, students attending Saint James School from that district will be picked up 90 minutes later than the normal time. Students are not marked tardy upon arrival to school.

V. CURRICULUM

Academic Goal

The academic program at Saint James School provides an integration of curricula where learning exposure (content) and experience (process) intertwine as threads in a woven fabric. Curriculum presentation acknowledges the uniqueness of each child and recognizes various learning styles and intelligences. The ultimate goal is to challenge and stimulate each student's intellectual development so that his or her pursuit of knowledge is never completed, thus continuing throughout his or her life.

The academic program offered at Saint James School follows guidelines recommended by the Diocese of Trenton. Pedagogy, textbooks, manipulative materials, and technology are continually evaluated. The following subjects are taught on a daily basis: Religion, Mathematics, Integrated Language Arts, Science, and Social Studies. The following subjects are taught on a weekly or bi-weekly basis: Physical Education, Art, Music, Spanish and Computer Lab. Health is taught in a workshop format.

Advanced Programs

7th and 8th grade Mathematics offer higher-level Math courses of Pre Algebra and Algebra. 6th, 7th and 8th grade Integrated Language Arts (ILA) offer advanced Literature and Writing courses. Placement in ILA Advanced Placement classes is limited. Placement in the Algebra I and AP ILA programs are based on a composite profile determined by Terra Nova Testing, a cumulative test, report card average, and teacher referral.

Homework

Homework is an essential requirement for the full scholastic development of a child. The homework is assigned not merely to solidify and integrate what the child has been taught, but also to foster in the pupil independent work habits and instill in him/her a sense of personal responsibility. Homework is posted on the website eBoard link for each teacher. All work missed through absences, etc. must be made up and presented to the teachers. If, for a serious reason, homework cannot be completed on a given night, the parent should forward a note to the teacher.

If your child is spending considerably more time on homework than is perceived as appropriate, please contact the teacher(s).

All graded work will be sent home in a Parent Review Envelope (PRE). Parents are asked to review the work enclosed and sign the cover signature sheet acknowledging inspection of the enclosed contents. This procedure is for grades 3-8.

NOTE: Missed Homework

- Written warnings will be issued for the first 3 missed homework assignments
- A lunch detention will be issued after 3 written warnings for missed homework assignments

Field Trips

Periodically, students are taken on field trips as part of the educational program. When such trips are being planned, permission slips will be sent home to be signed and returned to school. All trips are supervised by the classroom teacher and other adults. A student who does not attend a class trip is expected to spend that day in school. It is not a "free day" for that student. No students will accompany the class on the trip unless consent forms have been signed. The school is not liable for any accidents which may occur during the class trip. Parents may not take students home early from class trips.

Extra-Curricular Activities

Saint James School offers various activities in which students may participate if they meet the academic and physical requirements. For a well-rounded education, we offer a balance between academic studies and extra-curricular activities so that one has the opportunity to develop intellectually, morally, emotionally, and culturally. Parental permission is required for students who participate in these programs. Students participating in extracurricular activities must be mindful of their obligation to represent Saint James School honorably as well as to perform their respective functions with Christian attitude and dignity.

Sports are an important part of education. At the present time basketball, baseball, soccer, softball, track, cross-country, cheerleading, golf and lacrosse are offered. All students must have a sports physical before trying out for a team.

A student who participates in any school sponsored activity must maintain satisfactory conduct and passing grades in all subject areas. Students who fail to meet this requirement may not participate

in the activity for a designated period of time.

VI. HEALTH

Emergency Card Information

Parents will be notified if a child becomes ill while at school. Work numbers, cell numbers, the home telephone number and the name and telephone numbers of two other people who can be called in case of a parent's absence from home should be on the Emergency Card in the nurse's office. It is the parent's responsibility to keep this information current. Written notification of a change of address or telephone number is to be sent to the business office immediately in order to keep this information current.

Health Program

1. All kindergarten and new students are required to have a physical examination before entering school. Immunizations must be on file, and up to date by the first day of school attendance.
2. All students in the fourth and seventh grades are required to have a physical examination by their own physician. Notices will be sent home.
3. Hearing tests are given to Kindergarten, first, second, third and seventh grades and to any student referred to the nurse because of a hearing or vision problem.
4. Vision tests are given to Kindergarten, second, fourth, sixth, and eighth.
5. All students are weighed and measured annually. Ten to fifteen year old students are also screened annually for scoliosis.
6. First aid, when needed, is given by the school nurse during the school day. Injuries occurring at home will not be treated in school. If your child is injured at home, please do not send him/her to school and tell them to have the nurse check the injury.
7. School Insurance is obligatory for all students. The cost of this insurance is included in the Registration Fee. All students are enrolled in the Student Accident Insurance Program for the Diocese of Trenton. This program is an "Excess Plan", meaning the parent's/guardian's coverage is primary in the event of a claim. Claim forms are available in the nurse's office.
8. When a pupil is to have any medication, including Tylenol or aspirin, administered during school hours, the following procedures must be observed:
 - a. Request in writing by the parent or guardian of the student that the school nurse administer the medication (medication must be brought in to school by an adult).
 - b. A written order from the doctor stating:
 - (1) Diagnosis
 - (2) Name of medication
 - (3) Dosage amount and frequency for administering the medication.
 - c. The medication must be kept in the health office in the *original pharmacy container* and taken home at the end of the school year. **THIS ORDER MUST BE RENEWED EACH SCHOOL YEAR.** Absolutely no student may take medication on his/her own. Students may not carry medication on his/her person at any time. This includes cough drops and aspirin.
 - d. Parents are **not** permitted to come to school to administer medication to their child.
 - e. Antibiotic medication administered three or four times a day must be given at home.
 - f. If lozenges are needed, students must report to the Nurse's office for their administration. *Students may not keep lozenges with them in class.* A signed permission note for administration of lozenges must be on file in the nurse's office.

8. Please see that your child has Kleenex or hankies when they have a cold or allergy reaction.
9. A physical examination is required for each student before trying out for any sport in any grade.
10. Temporary foot problems that warrant the wearing of sneakers require a physician's note. Students may require orthopedic inserts on a regular basis. In this case, shoes must be purchased that accommodate both the insert and comply with the school uniform dress code. Students may not wear sneakers indefinitely.

VII. TESTING AND EVALUATION OF STUDENT PROGRESS

Standardized Tests

Terra Nova tests are conducted annually in grades 2 through 8. This testing takes place in the late winter of the year and is designed primarily for following a student's growth from year to year within each subject area. This testing is valuable because the scoring is scaled to provide useful information for the teachers in evaluating and continuing the improvement of a child's educational progress. Mental ability tests are administered to the students in grades 2, 4 and 7.

Terra Nova testing dates are on the school calendar; vacations should not be planned during testing week.

Trimester Assessments

Report cards are issued three times during the year to students in grades K through 8. Parents are asked to sign the report card and return it to school. It is imperative that the report card be returned to school the next day. The report card information represents a composite of daily work, homework, assignments, reports and tests.

Progress Reports are given midway through the trimester for grades K to 2. Parent Portal is available for viewing throughout the year for grades 3 to 8.

On a weekly basis a Parent Review Envelope (PRE) is sent home for parents/guardians to review students' hard copy assessments/classwork. Parents/guardians are to return it signed the following school day.

Report Card Marking Code:

Kindergarten will use developmentally appropriate performance indicators of N-Not Yet, D-Developing, E-Emerging, and P-Proficient.

Grades 1-2 will use the following performance indicators of O-Outstanding Progress, VG-Very Good Progress, G-Good Progress, S-Satisfactory Progress, and N-Progress Needed.

Grades 3-5 will use a letter grade marking code associated with a numerical range. A (93%-100%), B (85%-92%), C (76%-84%), D (70%-75%), F (69% or below). F indicates that the student is not meeting the expectations of the curriculum.

Grades 6-8 will record a numerical grade for each major discipline. A passing grade is 70% or above. An F will report whenever a grade is 69% or below. The lowest failing grade to be numerically recorded on the report card is 60%.

Parent Conferences

Parents are encouraged to schedule conferences at any time during the school year, especially if an immediate concern arises. Formal conferences are scheduled during the first trimester. Conference forms will indicate the appointment time if there is a need for such a meeting. Teachers or parents may request a formal conference during the second and third trimester on an "as-needed" basis.

If a telephone conference is necessary at any time, please notify the teacher in written form or contact the school office. Please indicate the time and place where you can best be reached and the nature of the call.

The partnership between parents and teachers can only be strengthened through open and frequent communication both in the written and verbal form. It is only through the closely coordinated efforts of home and school that the goals of education can be achieved.

Noncustodial Parent's Rights

The school abides by the provisions of the Buckley Amendment. Thus, noncustodial parents will be given access to the academic records and to information on the academic progress of their children unless there is a court order specifically stating that the noncustodial parent is denied access to such information.

Honor Roll

Saint James School celebrates the effort and achievements of all those students who strive to perform to the best of their abilities. The Honor Roll recognizes those students who have achieved High Honor or Honor standings in all major subject areas, accompanied by a satisfactory grade in the areas of Art, Music, Spanish, Physical Education, and Computer Lab, **and S in conduct on their report card**. Students in grades 5 through 8 are eligible for the Honor Roll.

Honor Roll

Middle School

High Honor Roll

- 93% or better in all Core Subject Areas
- 3's or 4's in Special Subject areas, however no more than two 3's

Honor Roll

- 85% or better in all Core Subject Areas
- All 3's or better in Special Subject Areas

5th Grade

High Honor Roll

- All A's in core Subject Areas
- 3's or 4's in Special Subject areas, however no more than two 3's

Honor Roll

- All B's or better in Core Subject Areas
- All 3's or better in Special Subject Areas

8th Grade Final Exemptions

Students may be exempt from 2 final exams of their choice if they have met the following criteria:

- 93 or higher for all 3 trimesters
- No more than 10 unexcused (without a doctor's note) absences for the year
- No more than 3 unexcused (school) tardies per trimester
- No more than 1 tardy in a class per trimester
- No grade of N for school conduct
- No After School Detentions for the year

Students are required to attend classes in which they are exempt on examination days. An exemption is an exam exemption and not an attendance exemption.

Note: Algebra I students are not exempt from final exams.

Promotion

Promotion is left to the discretion of the principal and the teacher. Students who do not achieve a final passing grade in a major subject must receive summer tutoring and pass a final exam before promotion is finalized. The final exam will be administered prior to the beginning of the new school year.

VIII. DRESS CODE

Grooming

Neatness and cleanliness are part of a child's education and such grooming is the responsibility of the parents. Students' clothing must be clean and mended at all times. Extreme hairstyles or color will not be permitted for either boys or girls. Boys' hair length may not touch the shirt collar. Boys' hair length that necessitates being tucked behind the ear is too long. Boys' hair length and style that result in an untidy array, hangs in the eyes, or presents an unkempt appearance will not be permitted. If given notice, boys will have one week's time to rectify the situation by having their hair cut and shaped. Make-up is not permitted. Clear nail polish or French style manicures are permitted for girls in the 6th, 7th, and 8th grade only. Nail art is not appropriate for school wear unless special permission is given.

Jewelry

Small button-type earrings are allowed only for girls. Large hoop or chandelier earrings are not appropriate for school wear. Boys may not wear earrings. Other than a watch, one bracelet, or simple gold/white gold

necklace, jewelry is not allowed.

The administration will determine whether a particular hairstyle, article of clothing, or jewelry is appropriate.

Uniforms

All children in grades K through 8 are required to wear uniforms. Dates for wearing of winter and summer uniforms are noted in the school calendar.

Dress Up/Dress Down Day

During the school year, there are times when students may attend school in clothing other than the school uniform. The dress code for non-uniform days is to be modest and non-offensive. Clothing should fit appropriately and be worn with respect. Tank tops, short shorts, miniskirts, dresses or skirts with hems more than 2 ½ inches above the knee, sandals without straps, flip flops are not allowed

DRESS UP: Sunday best attire is to be worn. Sweats, T-shirts, shorts, athletic wear are not to be worn.

DRESS DOWN: Students may wear neat and presentable jeans, sweats, etc. Sneakers may be worn. Recommended: **Bermuda shorts** for girls.

Please be aware that any student maybe asked to call home and request that proper attire be brought to school.

IX. DISCIPLINE

Discipline at Saint James School is not meant to be punitive, but rather to:

- provide students with an opportunity to practice Christian ideals and attitudes,
- assist students in the development of self-discipline,
- provide an atmosphere conducive to learning,
- promote respect and care within the student for himself/herself, for others in the school,
- be a productive member of society.

To be successful, it is imperative that all students follow school policy and guidelines. Ordinary discipline is the responsibility of each teacher and the basis of all discipline is mutual respect. Parents need to openly support the efforts of the teachers in this area. If a conflict occurs, the matter should be discussed privately between teacher and parent.

The Administration reserves the right to determine the seriousness of student behavior. The Administration will also determine if certain cases of misconduct require stronger measure or police notification. The Administration reserves the right to waive and/or deviate from, any and all disciplinary regulations for just cause at this or her discretion.

Code of Conduct in the Classroom

Students will familiarize themselves with classroom rules and comply with them. They will address teachers in a courteous manner at all times. Each teacher is responsible for the discipline of the students in the classroom and for preserving discipline throughout the school. If a question should arise concerning discipline, it is advisable that the parent first contact the teacher involved - the teacher and/or parent would then refer serious problems to the principal.

Code of Conduct in the Cafeteria

Each student is to make it his/her responsibility to clean his/her eating area. Eating and drinking are not permitted outside the lunchroom area. Students are to remain seated until their class is dismissed. They are to walk from the cafeteria. Manners and code of politeness are required at all times.

Code of Conduct in the Playground

Playground activities are supervised by parents, teachers and administrators. The following regulations will be strictly enforced:

1. Good sportsmanship is to be displayed at all times.
2. Teachers or parent supervisors may terminate any game which they deem to be dangerous.
3. Small hard balls, tennis balls, bats and hockey sticks are forbidden as is picking up and throwing stones. The school will supply all play equipment to be used. Equipment is to be shared.
4. Students may not leave the playground during recess
5. All problems and injuries are to be reported to the supervisors on duty, which will notify the nurse when necessary
6. When the whistle signals the end of playground time, students are to curtail activities immediately, return the equipment to the supervisors, and line up in designated areas to meet teachers.

Code of Conduct on the Bus

In order to ensure the safety of bus riders, all students are advised of and must abide by the Bus Safety rules received. All students must remain seated on the bus, facing forward with seat belts buckled, at all times. Students may not leave the bus once boarded. Students must keep their voices modulated. Students are reminded that they are representative of this school. Their behavior at bus stops must reflect the behavioral expectations of this school. At no time is a student to put any body part out the window or throw any object from the bus. Homework is not to be done on the bus.

Students may not eat or drink on the bus. Students will lose bus privileges for a specified length of time if repeated infractions of inappropriate behavior are reported.

Students in grades 3 to 8 will sign a Bus Behavioral Contract outlining responsibilities as a bus rider.

Books/Lockers/Desks and Chairs

Books are on loan to the children and must be cared for throughout the school year. All books must be covered at all times. No writing or drawing is permitted on book covers or texts. Books must be carried to and from school in a book-bag. If a book is lost or destroyed, payment must be made before final report cards will be given.

Lockers are provided for the 6th, 7th, and 8th grade students. Lockers may not be decorated internally or externally in any way.

Desks and chairs are to be treated carefully. At no time are they to be defaced or abused. Students will be required to replace any school property that has been damaged.

Detentions

A notice of detention will be sent home with students for parental signature prior to the detention being served. Detention slips must be signed and returned to the student's homeroom teacher to avoid further consequences.

Lunch Detentions are held twice a week and may be assigned for the following reasons, although the list is not all-inclusive:

- 5 written warnings for no homework in one marking period
- 3 written warnings for dress code infraction
- Miscellaneous offenses handled by the administration/teachers
- Behavior which interrupts the educational process of others

NOTE: 3 Lunch Detentions in one marking period will result in a grade of "N" for conduct on student's report card.

After School Detentions are held every Wednesday 2:30PM to 3:30PM, 3 lunch detentions in any marking period

- Infraction of any school conduct code
- Repeated behavior which interrupts the educational process of others
- Violation of cell phone policy
- Disrespect exhibited to other students, faculty or school volunteers
- Repeated behavior which interrupts the educational process of others

NOTE: **One After School Detention within a marking period will result in a grade of "N" for conduct on student's report card

****Two or more After School Detentions within a marking period will be deemed excessive and result in a grade of "U" for conduct on student's report card, and may carry additional consequences (e.g. school/community service; loss of extra curricula/clubs/sports privileges, or loss of Honor Roll and Student Council eligibility). The preceding examples are not all-inclusive.**

Suspension

Suspension from a Catholic school is a serious matter. The principal or his/her designee is responsible for determining whether an event warranting suspension has occurred. Credit will be given for student work performed during suspension when work is required for grading purposes. A child may be suspended for a serious violation of school policy whether they occur at school, or outside of school. Length of suspension will be determined by the principal. Such serious violations include but are not limited to:

- Physical assault/fighting
- Harassment
- Theft
- Defacing school property
- Cheating
- Gross disrespect toward another individual
- Leaving the school grounds without permission
- Conduct, whether inside or outside the school, that is detrimental to the reputation of the school or unbecoming a student in a Catholic school
- Bringing cigarettes/drugs/alcohol/weapons to school or any school activity or event
- Bringing disgrace to the school's name and reputation through inappropriate actions while representing the school through the wearing of the school uniform or being associated with the school in anyway (sporting events, field trips, community events) will result in suspension.

When a student is suspended for a serious violation, the parent will be contacted and the student may be sent home immediately. A student on suspension (in school or out) may not participate in any school related activity during the day(s) of that suspension nor participate in the next school social activity. In the case of a most serious act, a student may not participate in extracurricular activities for a period of time determined by the Administration.

Disciplinary Probation

Disciplinary Probation is to be regarded as an extremely grave situation. Any student on Disciplinary Probation will be prohibited from participation in school activities including social events, sports/class trips during the probationary period. Students receiving two suspensions in a year will be placed on disciplinary probation.

Expulsion

Expulsion may be warranted in the rare circumstance where either the student's interest would be better served in another environment or that the individual's behavior is a serious threat to the school community. Further, any decision to expel a student will be based upon substantial evidence that the student committed the infraction with which he or she was charged.

While it is not possible to enumerate all cases that could result in expulsion, the categories of cases listed below should provide guidance as to behaviors that may rise to the level of severity warranting expulsion:

- Arson
- Assault of any kind
- Continued and willful disobedience or /defiance of authority
- Alleged criminal activity, including pending criminal charges or indictment
- Cyber-bullying
- Extortion or attempted extortion
- Fighting
- Gambling for financial gain
- Gross disorder including mob action
- Defacing or destruction of school property or another student or employee
- Harassment, of any kind, of students or personnel
- Hazing of a student or group of students
- Inappropriate use of cell phone
- Violation of the Acceptable Use Policy (use of the internet and digital devices)
- Improper use of social networking sites
- Noncompliance with behavioral contract
- Possession of a weapon or look-alike weapon
- Possession and/or trafficking of pornographic materials
- Possession, use and/or sale of an illegal substance
- Verbal and/or physical threats

If charges potentially warranting expulsion are brought, the student will be assigned an interim out-of-school suspension of not more than twelve school days pending the investigation, hearing and decision regarding expulsion or voluntary withdrawal. Credit will be given for student work performed during suspension when work is required for grading purposes.

In all cases implicating expulsion, the school will work to ensure that the student and/or the parents/guardians have the opportunity to present the student's account of events and provide mitigating information during either an informal or formal hearing. Nonetheless, the school may decline to hear evidence offered by the student and/or his/her parents if, in its discretion, the information offered is irrelevant, inappropriate or vexatious. The decision to expel a student may only be made by the Superintendent of Catholic Schools following investigation, hearing and recommendation by the school.

A student and his/her parents/guardians have the right to appeal an expulsion within seven school days of the notice of expulsion. The appeal will be heard by a Diocesan Tribunal consisting of three diocesan school administrators and principals appointed by the Superintendent. Pending the outcome of the appeal, the student will remain "expelled" and will not be permitted to attend school.

Withdrawal

The Catholic Church and this Catholic school recognize parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

Bullying/Cyberbullying Policy

Saint James School subscribes to the Diocese of Trenton, Department of Catholic schools, Policy #5050.6. This policy states: A safe and civil environment is necessary for students to learn and achieve high academic standards. Harassment, intimidation, bullying and like behaviors will not be tolerated as they are contrary to the mission of Roman Catholic Schools to educate the whole child in a God-centered environment and to facilitate growth and self-actualization.

Definition of Harassment, Intimidation and Bullying

Harassment, intimidation and/or bullying consist of any gesture, electronic communication, or written, verbal or physical act that is reasonably perceived as having the purpose or effect of either (1) creating an intimidating, hostile or offensive educational environment, or (2) interfering with a student's physical or emotional well-being or with the operation of the school. Harassment, intimidation and bullying are serious incidents that amount to more than annoyances, disagreements or disputes typical of a particular age group.

Cyber-bullying is a form of harassment, intimidation and/or bullying under this policy. Examples of cyber-bullying include, but are not limited to: posting inappropriate pictures or personal information of a student or individual on the internet; using social media to post or send harassing, intimidating or inappropriate messages about or to another student or individual; and sending harassing, intimidating or inappropriate text messages or email about or to another student or individual. In some cases, violations of the Technology Acceptable Use Policy may also violate this policy.

Retaliation

Retaliation for reports of harassment, intimidation and/or bullying is prohibited. The procedures in place for addressing harassment, intimidation and/or bullying apply with equal force to allegations of retaliation.

Resolving Complaints of Harassment, Intimidation and Bullying

In the course of resolving a complaint under this policy, the school will strive to balance the need to fully investigate the allegations with the privacy of the individuals involved. Therefore, information gathered during the investigation and resolution process will only be shared on a "need-to-know" basis. Resolution of a complaint of harassment, intimidation and/or bullying depends on the context and circumstances of each case. The school will strive to balance the interests of students involved as well as the needs of the school as a whole when confronting these issues. Disciplinary measures will be consistent with the school's disciplinary policies and diocesan guidance for student discipline. In addition, the school may consider implementing appropriate remedial and preventive measures in response to a finding that harassment, intimidation or bullying has occurred.

X. TRANSPORTATION

Walkers

For their safety and protection, students who walk to and from school are required to cross where there is a crossing guard. Children should be encouraged to walk in groups and obey street crossing regulations.

Students must be mindful that they are representatives of the Saint James School Community and that their conduct should be reflective of the school's code of conduct at all times. Students are never to be crossed by parents in the middle of the block or in between parked buses.

Bus

Bus authorizations are handled by the local public school district in which the student resides. Applications are provided by the school and must be filled out each year. Applications are forwarded to the appropriate school district no later than May 1st. Any questions about bus schedules, location of bus stops, drivers, etc., should be directed to the transportation department of your public school district. Use of bus service is strongly encouraged if it is provided to the student.

Only authorized students may ride the bus. *CHILDREN **MAY NOT RIDE ON BUSES OTHER THAN THE ONE TO WHICH THEY ARE ASSIGNED*** (i.e.: one township may not ride the bus of another township). **PLEASE DO NOT REQUEST A CHANGE IN THIS AT ANY TIME, AS IT IS NOT PERMITTED UNDER THE LAW.**

- Students must remain seated, facing front, at all times while on the bus, regardless if the bus is in motion or not.
- Students must be respectful of the bus driver and follow all directives.
- Students may not do homework on the bus and must keep their voices modulated. Seat belts must be worn. Students may not eat or drink on the bus.

Parents must notify the school in writing whenever the child has alternate plans for transportation other than the normal daily procedures already established.

- **No cars are permitted to park or wait on Peters Place at any time during legal school days.**
- **No cars are permitted to discharge or pick up students in the schoolyard.**
- **No cars may discharge students in the **"BUS LOADING"** area.**
- **Students are not to be discharged from cars on the opposite side of Peters Place.**
- **No cars may discharge students at the STOP sign on Drummond Place.**
- **Students and parents are not to cross the street in between the buses.**

Parents are requested to follow the school's traffic flow plan at all times to insure the safety of all children.

XI. General Information

Child Abuse

New Jersey law requires any person who has "reasonable cause to believe that a child has been subjected to child abuse or acts of child abuse to report the same promptly to the Division of Youth and Family Services by telephone or otherwise." (N.J.S.A. 9:6-8, 10 et seq.)

Failure to report suspected child abuse is punishable as a disorderly person's offense. (N.J.S.A. 9:68.14). Under the law, anyone who makes a report shall have immunity from any civil or criminal liability that he may have otherwise incurred. (N.J.S.A. 9:6-8.13).

Communications

Parents are kept abreast of policies, procedures, and other information on a regular basis via: Handbook, yearly calendar, Virtual Folder (weekly information news), E-blasts, and Teacher eBoards. These items are posted on the school's website. Parents are urged to check the school's website frequently (**mysaintjames.com**) to be updated on all activities, events, and opportunities. Teachers' eBoards contain information on homework, class calendar, reminders and announcements

Fire Emergency Drills

In compliance with the New Jersey State Law regarding fire regulations, fire drills are held periodically throughout the year. Students are trained to move quickly and quietly to their designated locations. Fire equipment is inspected in accordance with state law requirements. A strict code of behavior is upheld during Fire Drills. *Absolute silence is required of all students.*

Glossary

- BSA Broad Street Auditorium**—A part of Red Bank Catholic High School. Entrance is on Broad Street.
- Dress Up Day**—Students are exempt from wearing uniforms. Dress down clothing may not be worn. Slacks, skirts, sweaters, school type shoes may be worn.
- PRE Parent Review Envelope**—Grades 3 to 8. It contains all graded papers. The envelope is to be signed and returned the next day.

Lunch Program

All students in grades K through 8 must eat in the cafeteria. Hot lunches are available for students in **grades 2-8** who wish to buy them. Hot lunch menus are distributed monthly. Cold lunches and beverages (milk juices, water) are also available. Kindergarten and 1st grade children do not purchase their lunch in school.

The school has a cashless cafeteria system. Parents are encouraged to sign up. Information about the system and how parents can create and access their child's account can be found on the school's website.

All students are permitted to bring a light nutritious snack to school each day. A mid-morning break is provided for each grade level.

Missions

Children are made aware of the spiritual and material needs of the foreign missions and are given the opportunity to join the National Childhood Association. The students pay a fee of \$2.50 annually. Mission collections are made in the classrooms and are mailed to the Diocesan Office for distribution.

Parking

Unfortunately, the parking at Saint James School is very sparse. The parking lot is only large enough for the two schools' cars. If you are a chaperone for a class trip and you come to St. James, you will not have a place to park. We have asked the town and the Police Department, but they cannot help us. Our suggestion is for the day of the class trip to be dropped off and picked up at school so no car needs to be parked. We realize this is a problem for our parents and thank you for your consideration.

Parties

Parties are limited to Halloween and Christmas. Valentines Day celebration will be at snack time. Birthdays may be commemorated at snack time for grades K through 3. If you do wish to send a treat on your child's birthday, please notify your child's classroom teacher in advance so you can avoid any foods that may be hazardous to a student's health due to allergies. With such notice, teachers will be able to monitor all children's health and safety. Please do not distribute birthday invitations (or invitation celebrations of any kind) to class members during school hours or on school property. Parents are asked to be conscious of the feelings of those children not invited to a party. Gifts are not to be exchanged in school as well.

Photo Release

Occasionally, Saint James School will use photographs taken of your child for marketing purposes. The school reserves the right to use pictures of students in publications such as school and local newspapers, and the school website. If you prefer that your child's photo not be used in any marketing activities, that request will be honored as per your instructions indicated on the Photo Release Form.

Pictures

Individual school pictures are taken in the fall of the year. There is no obligation for purchase. Class pictures are taken in the springtime. Class pictures cannot be purchased separately from the individual portrait package. Sports Team pictures are taken during the year as well as club and activity pictures. Students are to bring their team uniform to school for those athletic group pictures. Students may not have cameras or take pictures in school without the permission of the Principal.

Royals

A part of the PTA, this group is comprised of fathers, grandfathers, uncles, or any other significant male adult in the student's life. Meeting monthly, they plan family activities and outings throughout the school year.

Technology

Students are not permitted to have ipods, game boys, or any kind of digital or mechanical items on their person at any time while in school including the bus ride to and from school. If discovered, the item will be confiscated and must be retrieved by a parent.

Students are not permitted to use the school computers for any personal use (E-mail, etc.) other than research or word processing assignments.

Telephone

The office telephone is for business use only. Students may request to use office phones in case of emergencies. All post school arrangements must be planned prior to the school day's commencement.

Personal cell phones are discouraged. However, if parents deem it necessary for their children to carry cell phones to school, completed Student Cell Phone Registration Forms must be submitted to the school office. Student cell phones that are brought into school must be labeled, turned off, and handed in to homeroom teacher. Cell phones will be collected during morning exercises and will be returned prior to dismissal. Students are to place cell phones in the backpack immediately upon receipt. Cell phones are not to be used on the bus with the exception of an absolute emergency. If the student does not comply and the phone is discovered, it will be confiscated and must be retrieved by a parent. The school administration reserves the right to search cell phones.

The school is not responsible for lost or damaged cell phones.

Tuition

Tuition for Saint James School is administered by the F.A.C.T.S. Tuition Management Company and is paid in twelve monthly payments. The rates of tuition for the next school year are announced prior to registration. Parents are expected to cooperate in meeting their financial responsibilities by paying tuition at the designated times. All parents are required to sign the tuition contract. This contract is legal and binding. All paid tuition is non-refundable and non-transferable.

A re-registration fee is required of all families annually. The fee is non-refundable.

Students will not receive a report card or participate in graduation ceremonies if monetary obligations are not paid up to date.

Because tuition reflects only a portion of the cost of the education of each student, parents are asked/expected to support the fundraisers sponsored by Saint James School and the PTA.

Visitors

Visitors to the school, except at times of public functions, must report to the business office before entering the corridors. No parent may go to a classroom. Parents may not deliver items to classes. This policy prevents disruption to teachers and students during class time. All visitors are to enter Saint James School via the front door.

Volunteers

The education of your child involves a cooperative effort between home and school. Parents are urged to contribute suggestions and viewpoints concerning the educational needs of their child. The most efficient means to carry out this privilege is to become active members in the Parent/Teacher Association.

All those interacting with the students are required by the Diocese of Trenton to undergo a criminal history check including Sagem Morpho fingerprinting process as well as attend a three hour Virtus training session. Parents/guardians are responsible for all costs incurred.

You, the parents and students of Saint James School, are the heart and soul and spirit, which gives us a reason to be here. Many parents and members of our parish community generously give of their time to

our students. There is a place in our school community for everyone. Please contact the president of the PTA to discuss the type of assistance you would enjoy giving. **VOLUNTEERS ARE NEEDED.** For the safety of our students, all volunteers and visitors must wear designated badges when working in the school building.

The Principal or Pastor may amend the material set forth in this handbook at any time for just cause. There are many other regulations that may not be explicitly addressed but are implicit within the context of the school in its role of "In Loco Parentis" (in the place of the parent). Parents will be given prompt notice of any major changes. The policies put forth in this document are in compliance with the Diocesan Handbook of Policies, which is available for reference upon request.
