Summer Reading Projects

1. Design a movie poster for the book. Cast the major characters in the book with real actors and actresses. Include a scene or dialogue from the book in the layout of the poster. It should be persuasive; you want people to come and see the movie.
2. Summarize the story as a news article. Include the five Ws: who, what, where, when, and why. At the top of the article write a catchy headline that will grab attention.
3. Write a poem based on the book. It must cover the beginning, middle, and end of the book. It must be typed, double spaced, and one page in length.
