

Saint James Students are on a mission to

“Be Cool for School”

January 28, 2018 – Sea Bright, NJ

Please help us by offering to pledge a plunger or team in this year’s Polar Plunge! 100% of the donations directly support Saint James Elementary School! Simply fill out the form below and send in your money by January 28, 2018.

Funds raised continue to advance and improve our technology and curriculum offerings and improve our school facilities. Donations are tax deductible and will count towards your PTA fundraising goal.

As part of our kindness program (#KindnessIsPower), students have been paired up across grades and work on various activities promoting kindness. These teams will also be working together towards a collective fundraising goal to help their school. Help them make their way up the thermometers displayed in the school foyer to earn fun prizes!
