## Note from the Principal

Although it is the opposite end of the school year, I thought I would share with you my Graduation remarks to the Class of 2009, with a little adaptation. I think it defines what our ultimate goals are for our students whether they have just arrived, are half way through their journey, or about to complete it.

Chocolate milk...doesn't everyone enjoy it? When I was a child I loved chocolate milk...Yoo-Hoo, Bosco, Hershey, Brooklyn's own Fox's U-bet...it didn't make any difference. Just a peg below drinking it, I loved making it. I would take the container, turn it upside down, and raising my arm up high and then down low, I would watch the syrup slowly, ever so slowly descend in a steady stream into the glass of milk. All the while, a thick residue of delightful ooze built up at the bottom of the glass. Then came the fun

part...the big stir that created a gradual whirlpool of ever darkening liquid. And like magic, I could no longer tell where the chocolate syrup ended and the milk began. The two were one, never to be separated again.

Chocolate milk, in a sense, is what our goal is for our children...not just to drink it but to become it! For years, working together, we pour all we can into our children on all levels in all areas. We give them opportunities to explore, discover, learn, develop, adapt, and cross-reference their knowledge, and hopefully grow in wisdom and knowledge. All the while, we are adding the ingredients for a good life, building sound values, morals, ideals, self-sacrifice, faith, hope, and compassion. The goal is not for these just to build up inside them like chocolate sludge at the bottom of the glass, but to become them, never to be separated.

The miracle of the total chocolate milk conversion takes a life-time

to achieve. Every experience of life, good or bad, stirs the bottom of our respective glasses. We know that. What we hope to give our children, as they move through the educational process (and the educational process moves through them), is the fortitude and courage to withstand those occasional jolts that will come their way. As adults, we know from our own experiences, that, at times, we can get caught in a swirl of indecision and confusion. Staying steadfast to our commitment and mission, we can rest assured, that when the churning comes for them, they will have all the ingredients to sustain themselves.

God bless.

## Presidents' Postings

There has been a lot going on around St. James since August, when we held our New Family Orientation and the first Used Uniform Sale of the year. During the first week of school, each teacher and all of the office staff were greeted with a "Welcome Back Donut" and a gift card for a follow up visit to Dunkin Donuts. September proved to be a very busy month for students, parents,

and school staff alike. As students settled back into the school routine, parents attended "Back to School Night", new families and their mentors got a chance to meet at the New Family Social held at the Broad Street Auditorium, and students attended the official kickoff for the fall fundraiser where they had the opportunity to meet or get reacquainted with the infamous Mr. Bacon.

In October we had our first PTA Speaker Night, where we got the details on school inoculations, adult vaccines, keeping healthy, and warding off the flu. It was great to see so many faces at our first speaker program of the new school year. The Royal Masquerade Ball Event otherwise known as The Harvest Social was greatly enjoyed by all in attendance as children and adults in costume danced the night away. On October 19th, third grade students entered "the burning house," a children's program presented by the St. Barnabas Burn Unit Safety Unit. During the week of Oct 26-30 the students at St. James celebrated red ribbon week one of the oldest and largest drug prevention programs in the nation.

Special thanks to: Kirsten Sullivan (WIN Envelopes), Christian Buckman (New Family Social), Maria Torres & Sharon Matusak (Used Uniform Sales), Kirsten Rennard (Hospitality), Kate Niesz (children's programs) Carol VanSeveren & Laurie Miller (Fall Fund Raiser), Maryanne Riegelman (Adult Programs), Courtney Zatorski and Kathy Cleary (Harvest Social), Colleen Hennen and Jill Kozack (Red Ribbon week), and all of the Royals for a job well done.

As we head into November, be sure to mark your calendars for Nov 6th which will be jam-packed with even more St James fun. Not only is the sixth day of the month Spirit Day, it is also Basketball Blowout and St James Night at Brothers Pizza (whew!). Bring your whole family and come out to cheer on your favorite player whether it's Dad, your teacher, one of our priests or a student player on one of the SJS basketball teams. Of course, Mr. Bacon and his porky friends will be in attendance at the Blowout to provide some entertainment at halftime. Nov 30th marks the start of Book Fair, which will run

through Grandparents' Tea. Nothing encourages a reluctant reader like giving them the independence in choosing some of their very own reading materials! Proceeds for the Book Sale go right back to the school and benefit our school's library. PFE opportunities are available for fair volunteers: please contact Rita Apostolides.

Be sure to be on the lookout for more information on Breakfast with Santa (Dec 5), where Santa himself will join us for breakfast, and Grandparents Tea (Dec 6). We are already taking names for volunteers for both events, so please contact Adrienne Lamanno 732-544-0215 or Yvonne Ciccone 732-542-3425 if you are interested in earning your PFE points for Breakfast with Santa or Josie Cook 732-769-5207 or Kim Cottell 732-842-1469 if you are interested in volunteering for Grandparents' Tea.

#### **NEED PFE POINTS?**

## SJAA

It is difficult to believe that warm September has come and gone so quickly, and the Annual St. James Golf Outing—which took place under beautiful skies at Bamm Hollow Country Club on September 14<sup>th</sup>—is being squared away for another year. The planning of the Golf Outing is a monumental organizational task. It involves countless hours and volunteers to assist with uncovering boosters from outside and within St. James, as well as hunting down some of the valuable auction items which are donated each year. The S.J.A.A. Golf Committee was able to raise a significant sum, all proceeds of which go directly to support St. James Athletics. The Golf

Committee looks forward to expanding the event, and is currently in need of new volunteers for 2010. As the S.J.A.A.'s largest fundraising event, the Golf Outing's success is pivotal to funding our Sports Programs throughout the year.

Special thanks to the tireless efforts of our many Committee Members, including Laura Duffy, Peg & Tim Fallon, Chris Ferrigine, Tony Flego, Jackie Guido, Sean Murphy, Ed O'Neill, Maureen Pace, Kris Rovell, D.J. Totland, Laura Shroba, and Kim Senkeleski.

Our many thanks to all those who donated to this worthy cause, with a special thanks to booster families and golfers, who brought welcome new faces to enjoy a spectacular day of golf, giveaways, and great fun. Next year, we would like to encourage the ladies to put on their spikes, pick up some clubs, and invite family and friends to enjoy the course!

### **St. James Athletic Association Q&A: What Fall Sports are available to students, and what grades are eligible to play?**

One of the terrific aspects of St. James Athletics is the wide variety of sports the

program offers students. The Fall Sports season has heated up, and St. James's teams have charged ahead. Boys and Girls Soccer teams are open, by tryout, to the 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grades. The Boys Soccer Team had a challenging season, and look forward to 2010. The Girls Soccer Team has claimed a hard-won playoff position, and move into a highly competitive field for the Championship. St. James Cross Country Team, open to all students in 3<sup>rd</sup> grade and higher, is still running strong, and has had both team and individual medals in the Pee Wee, JV, and Varsity Divisions. For a complete listing of all sports available to St. James students, please visit [www.mysaintjames.com](http://www.mysaintjames.com), check under Associations, then St. James Athletics. **Is it possible for me to become an Assistant Coach?** The growth in the St. James student body has been terrific this year—from our youngest Pre-School and Kindergarten to new Transfer Families. S.J.A.A. would like to encourage all parent volunteers to apply for **Coaching Positions**, and lend their individual strengths and talent to build healthy bodies and strong spirits in our students

through competitive sport. For Diocesan requirements to become a coach, or to volunteer within the school, please check with Athletic Director, Tony Flego, and obtain an application.

**How do I become a member of the S.J.A.A.?**

Just inquire (meetings are held in the Library at 7:00 pm), come to a meeting, and please, sign-up! We are always looking for volunteers for the many and varied tasks for which the S.J.A.A. is responsible—most of which do NOT require sneakers! Parent involvement is enhances the student athletes experience, and is crucial to carrying our mission forward.

**New Family Social**

The evening of September 25th was warm and welcoming as new St. James families came together with seasoned families at the BSA, for a night of food and friends. There are 32 families new to our St. James community, and almost 50 children. What a wonderful opportunity to introduce the

incoming families to our school.

Thank you to all of the mentor families that gave their time so graciously to make the night a success! And a special thanks to the PTA and Baking Committee that provided delicious appetizers and delicacies for the evening, which were enjoyed by everyone. We are already looking forward to next year.

**Fall Fundraiser**

The school year started off with the annual fall fundraiser. This event is PTA sponsored and the monies raised are used to support St. James PTA activities along with equipment needed for the children. This year we finished a little shy of previous years but still came in with strong numbers. A big THANK YOU to everyone who participated.

Our Grand Prize winners were:

- 1st place: The McGinnis Family
- 2nd place: The Hill Family
- 3rd place: The Brown Family

In addition, Mrs. Byrne's class was the winning classroom with the most sales, so they will be

treated to a pizza party for all of their efforts.

Grade prize winners include: Mia Ramsey (Mrs. Seslar); John Denza (Miss Mondello); Margaret Buckman (Miss Leth); Gianna Piroso (Miss Rose); Lucia Goumas (Miss Rhodes); Jessie Amdur (Mrs. Kelly); Owen Guido (Mrs. Signoriello); Jordan Fleming (Miss Bowles); Michael Mazzucco (Mrs. Walsh); and Liam Coffey (Mrs. Fleming).

Stay tuned for the upcoming Basketball Blowout, where you will be entertained by 15 "Mr. Bacons" (mechanical pigs) racing towards the finish line dressed in their uniquely made costumes.

Thanks again to all for your support,  
Carol VanSeveren and  
Laurie Miller

**PTA Speaker Night**

Did you ever wonder why our children get so many vaccines? Are you concerned about the flu shot, the H1N1 vaccine and side effects of each? Did you think we didn't need immunizations after age 15?

To answer these questions and more, the PTA sponsored our first Speaker Night of the year on October 14<sup>th</sup>. We were

pleased to have Drs. Joel and Laura Jannone and Dr. Stephanie Reynolds here to speak about immunizations and influenza. Dr. Joel Jannone is a board certified Doctor of Internal Medicine, who has been a physician in Lacey Township for 24 years and the Lacey Twp. Schools Physician for 20 years. Dr. Laura Jannone, EdD, RN, CSN Doctorate in Nursing Education, has been in nursing for 33 years, a school nurse for 10 years. Dr. Reynolds is a board certified Physician, Doctor of Emergency Medicine at Riverview Medical Center. She is also the mother of two St. James students.

Drs. Jannone explained the target disease of each vaccine regularly given to our children, as well as when each vaccine is given and potential risks. They also listed vaccinations that should be given to adults and at which age. They explained that New Jersey requires the greatest number of vaccinations for our children, and that there are reasons that a child can be exempted from receiving specific vaccines.

Dr. Reynolds spoke about the symptoms and severity of both the regular (or seasonal) influenza and the H1N1 (or swine) flu. She offered precautions

that should be taken by everyone to avoid the flu, especially effective hand washing, and actions that one should take after symptoms are present to reduce these as well as to prevent further spread of the flu. Finally, she spoke about the seasonal flu shot and its risks as well as the H1N1 flu shot and its target population and risks.

SJS Nurse Marie Lehmann was instrumental in arranging these speakers and the PTA would like to offer her our special thanks.

If you have a topic that you would like addressed in a future Speaker Night, please contact Maryanne Riegelman at 732-842-1655 or [megsuzjake@aol.com](mailto:megsuzjake@aol.com).

### **Harvest Family Social**

The finest costumes in the kingdom could be found at the Masquerade Ball/ Harvest Family Social on October 17. Witches, super heroes, and plenty of royalty danced to the D.J., played games and enjoyed a feast fit for a king. The evening was a great opportunity for St. James families to catch up with old friends and make new ones. We were especially pleased to see students of all ages participating in the fun; it truly made the evening more memorable.

There was such a large team of volunteers, both parents and students, who pitched in to make the Masquerade Ball a success. We want to thank all of the volunteers who helped with every aspect of the party including decorating, serving food, organizing games and crafts, and of course baking delicious Halloween treats. We would also like to thank Casola Farms, Foodtown and Shoprite for their generous donations, which made the evening complete. Start planning your costumes now; we hope to see you all at the Harvest Family Social next year! Happy Halloween!

### **Red Ribbon Week**

Saint James participated in Red Ribbon Week from October 24 – 31<sup>st</sup>. This is the nation's largest drug prevention program. During the course of the week, students signed a wall-sized Pledge Card and receive RED Treats. Each class from grades 2-8 created their own Red Ribbon Poster for a contest. Posters were judged at the end of the week, and winners were awarded on each floor. Winning classes will receive Dunkin' Donuts on Halloween! Students will once again receive a "Wear

Red Dress Down” for Wednesday, October 28<sup>th</sup>. Look for our Red Ribbons on teachers, staff, and outside Saint James School!
